MARKING SCHEME

- | | |
|--|---|
| 1. b) African National Congress | 1 |
| 2. A.) Citizens have complete freedom to follow any religion. But there is no official religion. Government treats all religious beliefs and practices with equal respect | 1 |
| 3. a) Agriculture | 1 |
| 4. The apartheid system was harsh and oppressive for the blacks. They were forbidden from living in white areas. They could work in white areas only if they had a permit. Many public services such as trains, buses, taxis, hotels, hospitals, schools and colleges, public toilets, etc. | 3 |
| 5. Constituent Assembly of India was set up under the Cabinet Mission Plan of 1946. It comprised 385 individuals, of which 292 were chosen by the chosen individuals from the commonplace Legislative Assemblies while 93 individuals were assigned by the Princely States. | 3 |
| 6. Shopkeepers purchase various items from wholesale markets in cities and resell them in the village. Some families who live closer to the bus stop have turned a portion of their yard into a tiny shop. One can buy goods from here. | 3 |
| 7. 1. In this one person can't participate individually. The Constitution does not reflect the views of its members alone. It expresses a broad consensus of its time.
2. There is sanctity in Constituent Assembly work. The work of constitution assembly is open and partial. They work in systematic and consensual manner. That's why we can follow and accept it.
3. First, some basic principles were decided and agreed upon. Then a Drafting Committee prepared a draft constitution for discussion. Several rounds of thorough discussion took place on the Draft Constitution, clause by clause. More than two thousand amendments were considered.
4. The Constituent Assembly is established for the whole country and has been represented for the people of India. There was a lack of Universal Adult Franchise at that time, so because of that Constituent Assembly have not been chosen directly by all the people of India. Due to which members of Provincial Legislatures took part, so they were mainly elected by them.
5. Our constitution had accepted every religion and their traditions, their basic values and ethics. | 5 |

8. The four requirements of production of goods and services are land, labor, physical capital and human capital. Land is the physical place where all the economic activity takes place. Land plays an important part in production because land itself and the resources on it are usually limited. With explanation. 5

9. 1. Natural factor or fixed capital that is land and man-made factor that is capital.
2. Yes, I do agree with the statement as Savita being a small farmer has to take loan at very higher interest rate won't be able to manage her expenditure. Her debt must be increasing and making her a victim of debt trap.
3. Large farmers have their savings and they can easily arrange the required capital and lending money to others.
