5. The gram panchayat is the local government in _____ areas.
a. **rural** b. urban c. semi urban d. Foreign

SECTION-B

(2×3=6)

6. What is migration?

Migration is the movement of people from one place to another to live there for better jobs, living facilities and education.

7. How can we learn about our family's past?

We can learn about our family's past by talking to elders and looking at old photographs.

8. Give any two reasons why people move to cities.

Two reasons why people might move to a new place are:

1. To find better jobs
2. To get a better education

SECTION-C

(3×2=6)

9. Write any three functions of local government.

Differences between a municipal corporation and a municipal council:

- (i) It provides clean drinking water and electricity
- (ii) It maintains cleanliness and keeps surroundings clean.
- (iii) It provides public transport.

10. What changes happened after migration ?

Migration changes families. When people migrate, they usually bring only their children along. Other family members, like grandparents, often stay behind. Also, when people move from a village to a city, they often have to live in smaller houses. This is why many big families have become smaller over time

SECTION-D

(4×2=8)
