2. Difference between Living and Non-Living things.

3. What steps you should follow to cross the road safety?

Q6. Read the situation and answer the questions.

(3x1=3)

Riya always follows safety rules. She walks carefully on the stairs and never runs in the classroom. One day, her friend Aman fell while playing and got a small cut on his knee. The teacher cleaned the wound with water and put a bandage on it. Aman felt better after receiving first aid. Safety rules and first aid help us stay safe and healthy.

a. What did Aman get on his knee?

b. How did the teacher help Aman?

c. Why are safety rule and first aid important?

*****ALL THE BEST*****
