

B. K. BIRLA CENTRE
FOR EDUCATION

BKBCE/PRN/2023-24/025

November 24, 2023

CIRCULAR TO PARENTS

Dear Parents,

Greetings from B K Birla Centre for Education, Pune!

We hope this email finds you well. We would like to inform you of a mandatory requirement set forth by the state government (OASIS) regarding the documentation of student's blood group, height and weight details.

From Tuesday, 28th November 2023, we will be conducting blood tests for all students in order to determine their blood groups. This initiative aligns with the state government's regulations, and it is essential for us to gather this information for our records.

If your child is already aware of the blood group due to prior testing, we kindly request that you submit or email the lab report to the school coordinator (school.coordinator@bkbirlacentre.co.in) latest by 9 : 00 am on 27th November 2023. This will ensure we have accurate records and will exempt your child from undergoing the blood test on the specified date. Kindly note that it is mandatory to attach the lab report with your mail. Mails mentioning blood groups without an attachment of the lab report will not be considered and in that case, the child will have to undergo a blood group test in the school.

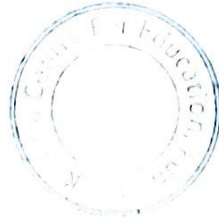

The safety and well-being of our students are of utmost importance to us. Rest assured that the blood tests will be conducted by trained professionals in a controlled and hygienic environment, prioritizing your child's comfort and privacy throughout the process.

We appreciate your cooperation and prompt action in this matter. Should you have any concerns or queries regarding this procedure, please do not hesitate to contact us. If you don't send us the details we shall go ahead with the blood group test presuming you are ok with the same.

Thank you for your understanding and continuous support in maintaining the health and safety standards within our school community.

Warm regards

Dr Rajeev Kumar Chauhan
Principal
